

PREVALENCE OF OBESITY AND RISK FACTORS AMONG FIRST YEAR MEDICAL STUDENTS

Dear Batch 16 and 17,

You are invited to participate in a research study titled, "Prevalence of Obesity and Risk Factors among First Year Medical Students". This study is being conducted by medical student of Taylor's University as part of the research module of Bachelor of Medicine, Bachelor of Surgery (MBBS) programme.

Your involvement in this project will be completing the questionnaire, and you have the right to withdraw from the project at any time, including withdrawal of any information provided.

There is no risk in the performance of the tasks and application of the procedures. The results of the project may be published, but you may be assured of the complete confidentiality of data gathered in this investigation: the identity of participants will not be made public without their consent.

Information collected in this study may benefit the field of medicine in the future by better understanding the impact of various risk factors on the physique of the medical student.

This research project is done under the supervision of Dr. Jo Ann Andoy Galvan, Dr. Low Bin Seng (Block Coordinator) & Prof. Karuthan Chinna.

If you have any concerns or questions about this study, please kindly contact us via email or whatsapp:

Tey Jin Kiat (jinkiat.tey02@sd.taylors.edu.my, +60127381761), Wong Jun Shin (junshin.wong@sd.taylors.edu.my), Agnes Lim Zig Xin (zigxin.lim@sd.taylors.edu.my, +60127947946).

The project has been reviewed and approved by the Taylor's University Human Ethics Committee (HEC 2020/137).

Kindly Please take 5 minutes to do the survey. Your cooperation is very much needed. Thank You for your participation.

* Required

1. Student ID *

2. Age *

3. Gender *

Mark only one oval.

Female

Male

4. Height (in cm) - Data collectors will fill up this section *

5. Weight (in kg)- Data collectors will fill up this section *

6. Ethnicity *

Mark only one oval.

Malay

Chinese

Indian

Other: _____

7. Family History of Obesity *

Only first degree relatives (father, mother, brothers, sisters)

Mark only one oval.

- Yes
- No
- Not sure

8. Accomodation *

Mark only one oval.

- With Parents / Anyone that cooks regularly
- Alone / Friends / non-regular cooks

9. Stress level *

Please read each statement and select a number 0, 1, 2 or 3 which indicates how much the statement applied to you over the past week. There are no right or wrong answers. Do not spend too much time on any statement. The rating scale is as follows: 0 : The statement did not apply to me at all . 3 :Applied to me very much or most of the time

Mark only one oval.

0 1 2 3

I found it difficult to work up the initiative to do things

10. *

Mark only one oval.

0 1 2 3

I tend to over-react to situations

11. *

Mark only one oval.

0 1 2 3

I found it difficult to relax

12. *

Mark only one oval.

0 1 2 3

I felt that I had nothing to look forward to

13. *

Mark only one oval.

0 1 2 3

I felt scared without any good reason

14. *

Mark only one oval.

0 1 2 3

I couldn't seem to experience any positive feeling at all

Physical activity
